DELIVERED VIA EMAIL

Board Secretary
Ontario Energy Board

Dear Board Secretary:

RE: EB-2009-0078

I am counsel for the Métis Nation of Ontario (“MNO”) in the abovementioned matter.

In Procedural Order No. 2, the Board ordered that responses to interrogatories from parties who submitted evidence and had received interrogatories must deliver their responses to the requestor by Friday, July 19, 2009. Since July 19th was actually a Sunday (not Friday), the MNO had intended to deliver its response today, as the next business day. However, due to internal logistical issues that have affected obtaining the needed information for its responses, the MNO is requesting that the deadline for filing its response be extended to the end of the week (Friday, July 24).

In considering this request, the MNO would also like to make the Board aware that it is in discussions with Hydro One and it anticipates that it will be able to arrive at a mutually agreeable arrangement with Hydro One in order to deal with the issues raised in the MNO’s intervention by the end of the week. Agreement on the general framework for such an arrangement with Hydro One would enable the MNO to withdraw its intervention participation in this hearing.

Thank you for the consideration of this request.

Yours very truly,

Jason Madden
