**Re: Electricity Distribution Licence ED-2006-0031
Application for Approval and Recovery of Amounts Related to CDM
Amended Page 16 and Appendix 5**

Please find attached an amended page 16 and Appendix 5 to Horizon Utilities Corporation's Application to the Ontario Energy Board for the approval and recovery of amounts related to Lost Revenue Adjustment Mechanism ("LRAM") and Shared Savings Mechanism ("SSM") as they relate to Horizon Utilities third tranche CDM programs and OPA programs.

In discussion with OEB Staff, it was identified that there was a discrepancy of \$0.20 in the total bill calculation for the Residential class at existing rates. In addition the table headings have been corrected to reflect the total bill calculations are at "Existing May 1, 2009" rates rather than "2008" as per the previous Appendix 5.

Two hard copies of this Application are being submitted on blue paper and delivered by courier.

Yours truly,
