**Re: Revision to Dates in June 30, 2009 Notice of Hearing for Cost Awards  
Board File No.: EB-2008-0408**

By letter dated June 30, 2009, the Ontario Energy Board issued a letter notifying Participants in the Consultation on International Financial Reporting Standards ("IFRS") (Board File No.: EB-2008-0408) that the Board is initiating a hearing on its own motion in order to determine cost awards to be made in accordance with section 30 of the *Ontario Energy Board Act, 1998* for the stakeholder consultation activities. **A copy of the June 30, 2009 letter is attached.**

It has come to the Board's attention that the June 30, 2009 letter was not sent to all affected parties and did not reach a significant number of the parties to whom it was directed. Accordingly, by this letter the Board is informing all affected parties of revised dates by which the various remaining steps in the hearing process will occur, as follows:

1. The eligible participants shall submit their cost claims by **July 28, 2009**.
2. Distributors will have until **August 6, 2009** to object to any aspect of the costs claimed.
3. The eligible participant whose cost claim was objected to will have until **August 14, 2009** to make a reply submission as to why its cost claim should be allowed.

All other matters pertaining to this hearing are in accordance with the June 30, 2009 letter.

Yours truly,

To: All Participants in the IFRS Consultation

**Re: Notice of Hearing for Cost Awards  
Board File No.: EB-2008-0408**

### **Background**

On December 23, 2008, the Ontario Energy Board initiated a consultation process to examine issues relating to the transition to International Financial Reporting Standards ("IFRS"). In its letter of that date inviting participation in the consultation, the Board indicated that cost awards would be available to eligible participants under section 30 of the *Ontario Energy Board Act, 1998* for their participation. In its decision dated January 28, 2009, the Board found the following participants to be eligible for a cost award in the consultation:

- Association of Major Power Consumers in Ontario
- Building Owners and Managers Association of the Greater Toronto Area
- Canadian Manufacturers & Exporters
- Consumers Council of Canada
- Energy Probe Research Foundation
- Industrial Gas Users Association
- London Property Management Association
- School Energy Coalition
- Vulnerable Energy Consumers Coalition

In its letter of December 23, 2008, the Board indicated that any costs awarded would be recovered from all rate-regulated electricity and gas distributors. Appendix A to the letter indicated that the Board would use the process set out in section 12 of the Board's *Practice Direction on Cost Awards* and act as a clearing house for all payments of cost awards. Attachment A to this letter lists the eligible activities and corresponding number of hours for that activity.

### **Notice of Hearing**

The Board is initiating this hearing on its own motion in order to determine the cost awards that will be made in accordance with section 30 of the *Ontario Energy Board Act, 1998* for the stakeholder consultation activities. The file number for this hearing is EB-2008-0408.

The Board intends to proceed by way of written hearing unless a party can satisfy the Board that there is a good reason for not holding a written hearing. If a party wants to object to a written hearing, the objection must be received by the Board no later than **7 days** after the date of this Notice.

Assuming that the Board does not receive any objections to a written hearing, the hearing will follow the process set out below.

1. The eligible participants shall submit their cost claims by **July 17, 2009**. A copy of the cost claim must be filed with the Board. All cost claims received will be posted on the Board's website. The cost claims must be completed in accordance with section 10 of the Board's *Practice Direction on Cost Awards*. In addition, to expedite the review of cost claims, the Board asks eligible participants to submit a cost claim summary as illustrated in Attachment B.
2. Distributors will have until **August 4, 2009** to object to any aspect of the costs claimed. A copy of the objection must be filed with the Board and one copy must be served on the eligible participant against whose claim the objection is being made.

3. The eligible participant whose cost claim was objected to will have until **August 18, 2009** to make a reply submission as to why its cost claim should be allowed. A copy of the reply submission must be filed with the Board and one copy is to be served on the objecting distributor.
4. The Board will then issue its decision on cost awards. The Board's costs to may also be addressed in the cost awards decision.

Service of cost claims, objections and reply submissions on other parties may be effected by courier, registered mail, facsimile or e-mail.

All submissions in this hearing (i.e., cost claims, objections and replies) will form part of the public record. Copies of the submissions will be available for inspection at the Board's office and will be published on the Board's website.

In accordance with the filing instructions set out below, parties must file a paper copy of their submissions, and an electronic copy of their submissions with the Board Secretary by **4:45 pm** on the required dates.

### **Instructions on Filing Material with the Board**

The submissions must quote file number **EB-2008-0408** and include your name, address, telephone number and, where available, an e-mail address and fax number.

An electronic copy of each filing is also required. Those that do not have internet access should provide a CD or diskette containing their filing in the requested formats.

**If you do not file a letter objecting to a written hearing or do not participate in the hearing by filing written submissions in accordance with this Notice, the Board may proceed without your participation and you will not be entitled to further notice in this proceeding.**

Yours truly,
