Dear Ms. Walli:

**Re: Enbridge Gas Distribution Inc. ("Enbridge")
Consultation on Cost of Capital – Issues List
Ontario Energy Board ("Board") File No. EB-2009-0084**

In its correspondence with participants in the Consultation on Cost of Capital proceeding EB-2009-0084 dated July 30, 2009, the Board invited stakeholders to file written comments identifying their views and positions on the listed issues by August 27, 2009. These submissions are to inform the participants of the stakeholder conference scheduled for the week of September 21, 2009.

At this time, Enbridge is writing to respectfully request that the date for the submission of stakeholders' views and positions be extended to Tuesday, September 8, 2009. The company personnel and its consultant are moving forward with great haste towards the current timetable, however, the availability of slightly more than a week will allow for a more complete and thorough submission given that the vacation season is upon us.

Thank you for your consideration of this request.

Yours Truly,

A handwritten signature in black ink, reading 'Robert Bourke'.
