Dear Ms. Walli:

**EB-2008-0408 – OEB Consultation on Transition to International Financial Reporting Standards –  
Hydro One Networks' Comments on Intervenor Cost Claims**

I write to advise that Hydro One will raise no issues with respect to the claims from Building Owners and Managers Association, London Property Management Association, Canadian Manufacturers and Exporters, Association of Major Power Consumers in Ontario, Energy Probe, Vulnerable Energy Consumers Coalition and School Energy Coalition. Hydro One does have comments on Consumers Council of Canada (CCC) and Industrial Gas Users Association ("IGUA").

Hydro One notes that to the claim filed by CCC has a mechanical error regarding the total hours worked by Allison Duff. CCC has claimed that Allison has worked a total of 69 hours, the correct total hours worked is 32.5 hours. This error decreases CCC claimed amount of \$23,751.12 to \$ 12, 636.87.

Hydro One would also request that the Assessment Officer review the claim filed by IGUA. Hydro One notes that IGUA has not submitted any of the forms or receipts for the disbursements.

Sincerely,
