Board Secretary
Ontario Energy Board
2300 Yonge St., Suite 2700

Dear Ms. Walli:

RE: Consultation on the Cost of Capital – Issues List
Board File No.: EB-2009-0084

On August 4, 2009, Enbridge Gas Distribution Inc. ("Enbridge") filed a letter with the Ontario Energy Board respectfully requesting that the date for the submission of stakeholders' views and positions on the above-captioned proceeding be extended to Tuesday, September 8, 2009. Members of the Coalition of Large Distributors are also working hard to meet the current timetable, but the summer holidays of key personnel have left some gaps in our ability to reach consensus in time for the August 27 submission deadline. For that reason we endorse the request of Enbridge to extend the deadline to September 8.

Thank you for your consideration of this request.

Yours truly,
