INTERIM RATE ORDER

PUC Distribution Inc. ("PUC") is a licensed distributor providing electrical service to consumers within its defined service area. On August 15, 2007, PUC filed an application (the "Application") with the Ontario Energy Board (the "Board") for an order or orders approving or fixing just and reasonable rates for the distribution of electricity for the period September 1, 2007 to April 30, 2008.

The processing of PUC's Application is not yet concluded. Pending the issuance of final rates for 2007 as a result of the Application, the Board declares the current rates interim effective September 1, 2007.

In declaring PUC's rates interim, the Board wishes to emphasize that this action should in no way be construed as predictive, in any degree, of the final determination of this Application.

THE BOARD ORDERS THAT:

The approved rates of PUC Distribution Inc., effective on August 31, 2007, are declared interim as of September 1, 2007 and until such time as a final rate order is issued by the Board.

DATED at Toronto, September 21, 2007.
