Dear Ms Walli:

**Re: Enbridge Gas Distribution Inc. – 2009 Rate Adjustment Process
EB-2008-0219**

We are writing on behalf of Enbridge Gas Distribution (Enbridge).

In Procedural Order No. 7, the Ontario Energy Board (the Board) invited parties to make submissions on Enbridge's draft Supplementary Order (which would approve the establishment of Enbridge's 2009 Deferral and Variance Accounts). Such submissions were to be made on or before August 24th.

Enbridge has not received any comments or submission from any party.

We write, therefore, to request that the Board approve and issue the draft Supplementary Order.

Yours very truly,

AIRD & BERLIS LLP
