IN THE MATTER OF the *Ontario Energy Board Act*,
1998, S.O.1998, c.15, Schedule B;

AND IN THE MATTER OF an application pursuant to
section 74 of the *Ontario Energy Board Act*, 1998 by
Priority Submetering Solutions Inc. to amend smart
sub-metering licence ES-2007-0963.

By delegation, before: Theodore Antonopoulos

DECISION AND ORDER

Priority Submetering Solutions Inc. filed an application on August 12, 2009 with the Ontario Energy Board pursuant to section 74 of the *Ontario Energy Board Act*, 1998 to amend smart sub-metering licence ES-2007-0963

The current name on the licence ES-2007-0963 is Priority Billing Solutions Inc. The applicant requested that the name that appears on the licence be changed from Priority Billing Solutions Inc. to Priority Submetering Solutions Inc. to reflect an amendment to the name of the company which occurred on July 1, 2009. The purpose of the name change was to provide greater clarity to the customers as to what specific industry the applicant operates in.

There are no other changes requested by the applicant. All other corporate information remains the same.

I have proceeded to decide the application without a hearing pursuant to section 21(4)(b) of the Act since no other parties are adversely affected in a material way by the outcome of the proceeding, and the applicant has consented to disposing of the application without a hearing.

I find that it is in the public interest to grant the requested amendment to the licence.

IT IS THEREFORE ORDERED THAT:

The name on smart sub-metering licence ES-2007-0963 is amended to Priority Submetering Solutions Inc. The amended licence is attached to this Order.

DATED at Toronto, September 8, 2009
