Ms. Kirsten Walli  
Board Secretary  
Ontario Energy Board  
2300 Yonge Street  
Suite 2700  
Toronto, Ontario, M4P 1E4

Dear Ms. Walli:

**Re: EB-2007-0672 – Intervenor Cost Claims**

On April 17, 2008 the Ontario Energy Board initiated a consultation process related to the Regulated Price Plan Consultation on Time-of-Use Pricing Framework (EB-2007-0672).

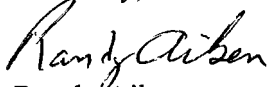

The London Property Management Association (LPMA) filed a request for cost eligibility determination on April 18, 2008. On May 15, 2008, the Board issued a letter to all licensed electricity distributors indicating that six parties, including LPMA, had requested cost awards for this consultation. LPMA filed its submission on May 23, 2008.

On May 13, 2009, the Board issued a Notification of Revision – Revision to the Regulated Price Plan Manual that announced changes to the Regulated Price Plan Manual.

At this time, I am not aware of any process being put in place for the filing of intervenor cost claims. This Consultation appears to have ended with the Board's Notification of Revision in May of this year.

I would appreciate if the Board could advise me on the status of filing of cost claims for this proceeding.

Sincerely,
