To the Ontario Energy Bd.

" The Letter of comment "

Attn: Ms. Kirsten Wall;
Board Secretary

The Comment that I would like to make
and advise the Board members of the
Ontario Energy Bd:

ARE

That the Applicant (Talbot) states that
they have obtain the Land Rights
required to accommodate the proposed
transmission facilities and also that if
the application for leave to construct is
granted, that Talbot wind LP may subsequently
apply for the right to expropriate if
necessary.

That I Melvin B. McLean president
of Melvin McLean Farms Ltd. are the
Sole owner of all the Land that is located
in the Municipality of Chatham-Kent
Verify by a Crown Patent, Certify by

the minister of Natural Resources
 on behalf of the Ministry of Natural
 Resources, and that my Corporation
 has never had any contact or inter
 into any agreement with Talbot Wind
 Farm LP, nor have they obtain any
 legal rights to anything.

That the municipality of Chatham-Kent
 is performing a major fraud.

If the Board members wish for an
 oral hearing, I would be more than
 happy to participate and supply
 evidence.

Yours truly

Refwin B. McLean
