Re: 604840 Ontario Inc. (Island Park Campground)

It is our understanding that approval is required by the Ontario Energy Board (OEB) for the sale of assets by Hydro One. Island Park Campground fully supports Hydro One's actions with the Board to obtain approval of this minor transaction without a hearing.

We would like to expedite this process as ownership of the assets enables us to complete work on the campground.

Furthermore, no other party would be affected by this sale. Therefore, we would appreciate an approval of this transaction as soon as possible.

Thank-you for your assistance in this matter.

Dear Mr. Luczynski:

This letter is to advise you of the progress that is being made regarding the sale of Hydro One assets in the name of 604840 Ontario Inc. (Island Park Campground).

Based on your response to our initial letter, you have elected to purchase all assets including meters.

Within the Island Park Campground there is one meter with no net book value, one 25 KVA transformer with a net book value of \$6.56, one 35' pole with a net book value of \$41.70, 50 meters of conductor with a net book value of \$0.81 and one cut-out switch with a net book value of \$3.47 for a total purchase price of \$102.54.
