IN THE MATTER OF the *Ontario Energy Board Act*,
1998, S.O.1998, c.15 (Schedule B);

AND IN THE MATTER OF an application by
Canadian Niagara Power Inc. for an Order or Orders
pursuant to section 92 of the *Ontario Energy Board
Act, 1998* (as amended) granting leave to construct
and reinforce transmission facilities in and around
Fort Erie, Ontario.

**NOTICE OF INTERVENTION
of Ontario Power Generation Inc.**

1. Ontario Power Generation Inc. ("OPG") hereby requests intervenor status from the Ontario Energy Board (the "Board") in the above referenced matter (the "Application").
2. OPG is a corporation registered in Ontario which owns and operates a significant portfolio of electricity generation plants in the province of Ontario. OPG is active in the Ontario electricity market and in the Niagara region. OPG owns real property that is proximate to the intended transmission facilities which are the subject of the Application. OPG has an interest in the matters covered by the Application.
3. On September 15, 2009 OPG was served with Application materials associated with the above referenced matter, consistent with the Board's Letter of Direction dated August 5, 2009.
4. OPG intends to participate responsibly in the Board's proceeding. At this stage, OPG seeks to reserve the ability to address any issues it regards as material to its interests with respect to this Application, including but not limited to, those that may affect it as a generator or real property owner in the area. OPG does not intend to seek an award of costs.

5. OPG requests copies of all materials related to this Application. OPG seeks to reserve the right to make a submission on the Application pending review of the materials, including the Board's Notice of Proposal.
6. All correspondence relating to this proceeding should be addressed to:
