**TRANSCANADA ENERGY LTD.
APPLICATION FOR INTERVENOR STATUS**

1. TransCanada Energy Ltd. (“TCE”) requests intervenor status in the proceeding for adjudication of the Application.
2. TCE has filed its request for intervenor status four days late due to an inadvertent internal administrative oversight. However, TCE submits no party is prejudiced by the late request given it was only a few days late and no substantive steps have yet occurred in the adjudication of the Application.
3. TCE is a company incorporated under the laws of Canada.
4. TCE holds M12 transportation and T1 distribution service on the Union Gas Limited system. TCE uses these services to transport natural gas fuel to their power generation facilities in Ontario, including the Portlands Energy Centre and the Halton Hills Generating Station. TCE has an interest in any matters that may affect the rates or the terms and conditions of service under TCE’s contracts on the Union system.
5. TCE reserves its rights to participate in all aspects of the proceeding, including evidence, interrogatories, cross-examination, and argument.
6. TCE further requests receipt of all pre-filed material and any further notices or other material that may be issued or filed in connection with this proceeding. The name, mailing and electronic address, telephone and facsimile number of TCE’s representative is as follows:
