Dear Mr. Sidlofsky

**Re: Horizon Utilities Corporation. – Recovery of Forgone Revenue
Board File No. EB-2009-0332**

Horizon Utilities Corporation ("the Applicant") filed an application and prefiled evidence with the Ontario Energy Board on September 3, 2009 seeking approval for the recovery of certain amounts related to an unforeseen loss of revenue (the "Application"). The loss of revenue arises as a result of a change in operations by one member of the Applicant's Large User class (the "subject customer").

The cover letter accompanying the Application stated the subject customer was not named in the Application in order to respect the confidentiality of its information, which formed part of the pre-filed evidence.

The Board's *Practice Direction on Confidential Filings* (the "Practice Direction") sets out the process for making a claim for confidentiality. If you determine that any part of the prefiled evidence or Application should be filed in confidence, please make a claim for confidentiality as outlined in the Practice Direction.

Yours truly,
