Dear Ms. Walli:

Re: Talbot Windfarm, LP; EB-2009-0290
Application for Leave to Construct

I am writing, on behalf of Talbot Windfarm, LP and in respect of its Application for Leave to Construct ("Application") to file two paper copies of "Schedule D" of Exhibit G, Tab 3, Schedule 3 which was not included in the original filing.

Schedule D is a copy of the Amended and Restated Transmission Facilities Easement ("Easement Agreement"), attached as schedule to the Amended and Restated Option to Acquire Transmission Facilities Easement and Right of Entry. The form of Easement Agreement is one of the land rights agreements for which the Applicant seeks Board approval pursuant to section 97 of the *Ontario Energy Board Act, 1998*.

Yours very truly,

Helen T. Newland
