Dear Ms. Walli,

In response to the Notice of Application issued by the Ontario Energy Board on September 18th, BP Canada Energy Company ("BP Canada") respectfully requests intervenor status. BP Canada is one of the largest explorers, producers and marketers of natural gas in Canada with significant business interests in Ontario and thus has a direct interest in Enbridge's proposed changes.

BP Canada does not have a preference with respect to an oral or written hearing nor does it intend to seek an award of costs. Please direct all information related to this proceeding to the contact information below.

Sincerely,
