Dear Ms. Walli:

**Re: PowerStream Inc. Request for Intervenor Status EB-2009-0172  
Enbridge Gas — 2010 Rates**

---

PowerStream Inc. is applying for intervention status in the above-noted proceeding.

The Company is particularly interested in the following matter listed in the Notice of Application:

- approval of a Y-factor and regulatory framework for the offering and provision of district energy and alternative or renewable energy activities and services by the regulated utility in future years.

PowerStream may identify other interests based on its review of materials submitted throughout the proceeding.

PowerStream requests one copy of the evidence and submissions of the Applicant and other participants, and any notices or correspondence. This includes any revisions or amendments, which may be made prior to the commencement of or during the hearing of this Application. PowerStream's preference is to receive searchable electronic versions of filings in this proceeding.

PowerStream will not be seeking an award of costs.

PowerStream requests that documents filed with the Board in this proceeding be served as follows:
