ONTARIO ENERGY BOARD

Att: Ontario Energy Board
- Chairperson -

I am writing to voice my opinion
in regards to your ill advised
intention to raise Hydro delivery
rates.

You cannot keep going to the rate payers
to bail out poor decision making on your
part. You have to look within Hydro
one itself for the answer, and learn to
operate in a more conservative manner.

For ideas on how to accomplish this
you can write me at the address above.

I do not want to see an increase
in my hydro bill.

Thank you

Glenna Penner.
