Re: Greater Sudbury Hydro EB-2009-0225

Dear Ms. Walli

Please acknowledge this letter as a request for a delay in filing Greater Sudbury Hydro Inc.'s 2010 IRM rate application. As you are aware, the corporation's 2009 rate rebasing decision has not been rendered by the OEB. The approved 2009 rates are the foundation of the 2010 IRM application and without such rates it is impossible to proceed with the application.

Once our finalized rate decision is received we anticipate completing our IRM submission within a three week period.

We trust this request which clearly is outside of our control meets your planning parameters. Should you have any issues please do not hesitate to contact me at (705)675-0504.

Yours truly,

S. A. Pawlowicz
