Dear Mr. Nettleton:

**Re: Enbridge Gas Distribution Inc. – Leave to Construct Pipeline to Serve the
Proposed York Energy Centre
Board File No. EB-2009-0187
Notice of Intervention of York Energy Centre LP**

The Board confirms York Energy Centre LP as an intervenor in the above noted proceeding subject to Applicant's right to object to your requests.

As you prepare for your participation in this case it is important that you have a clear idea as to the scope of the Board's jurisdiction in such cases.

The Board's jurisdiction in this case is restricted to the review of matters related to the construction and operation of Enbridge's proposed pipelines. Matters related to the location, construction, operation or impacts of the generating station are not within the scope of the Board review. Accordingly, your participation should be limited to matters respecting the pipeline, and any consideration of cost awards will be strictly limited to costs incurred with respect to such matters.

Yours truly,
