Dear Mr. Tenenbaum:

**Re: Enbridge Gas Distribution Inc. – Leave to Construct Pipeline to Serve the  
Proposed York Energy Centre  
Board File No. EB-2009-0187  
Notice of Intervention of Hunter's Green Rate Payers Association**

The Board confirms Hunter's Green Rate Payers Association represented by Harten Consulting as an intervenor in the above noted proceeding.

The Board has determined that the Hunter's Green Rate Payers Association is eligible to apply for an award of costs under the Board's Practice Direction on Cost Awards.

As you prepare for your participation in this case it is important that you have a clear idea as to the scope of the Board's jurisdiction in such cases.

The Board's jurisdiction in this case is restricted to the review of matters related to the construction and operation of Enbridge's proposed pipelines. Matters related to the location, construction, operation or impacts of the generating station are not within the scope of the Board review. Accordingly, your participation should be limited to matters respecting the pipeline, and any consideration of cost awards will be strictly limited to costs incurred with respect to such matters.

The Practice Direction on Cost Awards and related forms are available on the Board's website at [www.oeb.gov.on.ca](http://www.oeb.gov.on.ca).

The granting of both the intervention request and the eligibility for cost awards is subject to the Applicant's right to object to your requests.

Yours truly,
