Dear Ms. Walli:

**Re: Consultation on Energy Issues Relating to Low-Income Consumers  
(EB-2008-0150)**

In its September 28, 2009 letter on the Status of Initiatives Relating to Low-Income Energy Consumers and Further Direction to Electricity and Natural Gas Distributors, the Board requested that distributors notify the Board if they plan to continue offering low-income financial assistance programs for the 2009-2010 winter season. This is the response of Enersource Hydro Mississauga Inc. ("Enersource") to the Board's request.

Please be advised that Enersource will continue to provide financial assistance to low-income consumers through its continued participation in the 2009-2010 Winter Warmth Program.

Should you have any questions, please do not hesitate to contact me at (905) 283-4098.

Sincerely,
