Dear Ms. Walli:

**EB-2008-0150 - OEB Consultation on Energy Issues Relating to Low Income Consumers -
Hydro One Networks Inc.'s Winter Warmth Program**

Hydro One Networks Inc. ("Hydro One") is responding to the Ontario Energy Board ("OEB" or "Board") request of September 28, 2009 for distributors to notify the Board of their plans to continue with low income financial assistance programs for the 2009-2010 winter season.

Hydro One will continue its participation in the Winter Warmth Program during winter 2009-2010. Our intention is to expand the Winter Warmth pilot of last winter, and increase funding to \$300,000. While we have not finalized the locations for our pilot, we expect to increase the communities involved to between 15 and 20.

We are currently working to establish agreements with partnering agencies and plan to be ready for the December 1, 2009 launch.

Sincerely,
