**Re: Cost Award Eligibility: Extension of Time for Filing Objections  
Stakeholder Consultation on Electricity Distributors' Provision of Service  
and Application of Charges  
Board File No.: EB-2007-0722**

On September 6, 2007, the Ontario Energy Board (the "Board") initiated a consultation process regarding issues associated with the provision of service by electricity distributors and the manner in which electricity distributors apply certain charges.

In its September 6, 2007 letter, the Board stated that cost awards will be available to eligible persons under section 30 of the *Ontario Energy Board Act, 1998* in relation to their participation in this project. The Board also stated that the costs to be awarded will be recovered from all licensed electricity distributors based on their respective distribution revenues.

Requests for cost eligibility had to be made in writing to the Board Secretary by September 20, 2006. Requests for cost eligibility were received from the following participants:

- Building Owners and Managers Association of the Greater Toronto Area
- Federation of Rental-Housing Providers of Ontario
- Vulnerable Energy Consumers Coalition

The requests by these participants have been posted on the Board's website. The Board has extended the deadline for the filing of any objections to those requests. The deadline is now **October 9, 2007**. Any objections must be filed in accordance with the filing instructions set out in the Board's September 6, 2007 letter.

Yours truly,
