Dear Ms. Walli:

Re: EB-2008-0150 Consultation on Energy Issues Relating to Low-Income Consumers

With reference to the Board's letter dated September 28, 2009, Westario Power Inc is please to provide the following status update of initiatives relating to Low-Income Energy Consumers.

Westario Power Inc., in partnership with the United Way and other utility supporters, is a supporter of "Winter Warmth" in efforts to spread warmth during the winter season. Winter warmth is an initiative that helps families in need with their utility bills during the cold winter months. The program is coordinated by a network of communities through the United Way and funded by participating utility companies.

Westario Power Inc. will continue participation in the "Winter Warmth" Program for the 2009-2010 winter season, under the existing funding and partnership arrangements with the United Way and other participating utility companies.

If you require additional information or clarification of any matter herein, please contact Lisa Milne, President & CEO at 519.507.6666 extension 216 or myself at extension 211

Yours truly,
