RE: Confirmation of Financial Assistance – 2009/2010 Winter Season

Further to the LEAP update issued September 28, 2009, I wish to confirm that, in keeping with our historical support of the Winter Warmth Program, Hydro Ottawa plans to provide \$65,000 in funding to assist consumers in need during the upcoming winter season. These funds will be disbursed through our existing partnership arrangement with the local United Way.

Should you have any further questions or require additional information, please contact me.

Yours truly,
