Attention: Ms. K. Walli, Board Secretary

Dear Ms. Walli:

**Re: Canadian Niagara Power Inc. - Leave to Construct and Reinforce
Transmission Facilities in the Fort Erie / Niagara Falls Area
(Board File No. EB-2009-0283)**

Various questions posed by Board Staff in this matter required confirmation from independent sources. Canadian Niagara Power Inc. ("CNP") has sought those confirmations, but CNP is not yet in receipt of the responses. As a result, CNP will be delayed in filing its interrogatory responses and anticipates being in a position to file its responses by October 28, 2009.

Yours truly,

for Charles Keizer
