Subject: RE: OPG rate case

Thank you, John

Some background on my request is:

- (1) OPG is planning to file its rate application likely in March 2010.
- (2) On sep 24 2009, the OEB (Board) issued a letter to stakeholders regarding a meeting and written consultation (EB-2009-0331) on OPG's next payment amounts application.
- (3) I understand that the Board has held a stakeholders meeting (mentioned in the above paragraph) on Nov 22, 2009.

One of the reasons for my request was I did not receive any info, such as an announcement, about the Nov 22nd stakeholders meeting. I would otherwise have tried to attend that meeting.

So, moving forward, if possible, I would like to be informed of any developments/information (conference, meetings, hearings) regarding the rate application that the OPG is scheduled to file in March 2010 (approximate date).

Than

Hello Mr. Nguyen,

We don't currently have an OPG rates case before the Board. And I looked for upcoming cases, and found nothing either. Could you please check with your colleague to confirm which Board file he is a participant in? This may also be an OEB initiative that impacts the OPG, however, I am not certain.

I will wait for your response,
John

Hello Mr. Pickernell:

I would like to be on the OEB's recipient list of information related to the upcoming OPG's rate case (EB-2009-0038?), including conferences/stakeholder meetings prior to OPG's filing of its application.

My colleague, Richard Rogacki, might already be on the recipient list. However I would like to be able to timely follow the developments in the cases that Richard is away.

Thank you
