Dear Ms. Walli:

**Re: Kruger Energy Inc.
Proposal to Construct a 100 MVA Substation in the Municipality of Chatham-Kent
Ontario Energy Board ("OEB") File No. EB-2007-0691**

The Ontario Power Authority ("OPA") is in receipt of the Ontario Energy Board's Notice of Proposal under Section 81 of the *Ontario Energy Board Act, 1998* of Kruger Energy Inc. to construct a 100 MVA substation in the Municipality of Chatham-Kent. The OPA's interest is with respect to the various issues arising from the OEB's review and decision of the proposal as it informs the OPA's own transmission system planning for the province.

The OPA is therefore writing to inform that Board of its interest to participate as an intervenor so that it receives all associated materials in this written proceeding.

Please provide a copy of all relevant communications to Miriam Heinz at the address above or by email at miriam.heinz@powerauthority.on.ca.

Yours truly,

Michael Lyle
General Counsel and Vice President Legal and External Affairs
