Dear Mr. De Vellis,

**Re: Tillsonburg Hydro Inc.
Board File No. EB-2008-0246**

Thank you for your letter dated October 8, 2009 regarding the revised cost submission on behalf of the School Energy Coalition ("SEC").

In your letter, you stated that due to a typographical error by SEC, the Board reduced SEC's cost awards by 4.5 hours in order to match the information filed by SEC with the cost claim. However, you indicated that the total number of hours claimed for Mr. De Vellis was in fact correct. As such, SEC is requesting the Board to vary its Decision and Order on Cost Awards.

In order to consider your request, SEC is required to file a motion for the Board to vary its Decision and Order on Cost Awards. This is in accordance with the *Board's Practice Directions* under Rule 42.01, which states that "any person may bring a motion requesting the Board to review all or part of a final order or decision and to vary, suspend or cancel the order or decision."

Yours truly,
