**Re: Enbridge Gas Distribution Inc. ("Enbridge")
EB-2007-0745 Alfred and Plantagenet Leave to Construct Application
Final Monitoring Report - Extension Request**

In Sections 3.1 and 3.3 of Conditions of Approval in the Board's Decision and Order issued on July 11, 2008, the Board required that Enbridge file a final monitoring report within 15 months of the in-service date of the project.

The in-service date for the project was October 30, 2008 and this would make the final monitoring report due January 30, 2010. As it will be difficult to conduct a proper assessment during winter months and verify that there are no outstanding issues related to the project, Enbridge is requesting an extension to the filing date for the final monitoring report until May 2010.

If you require further information, please contact the undersigned.

Yours truly,
