Dear Ms. Walli:

EB-2008-0150 – OEB Consultation on Energy Issues Relating to Low Income Consumers – Hydro One Networks' Comments on Intervenor Cost Claims

I write to advise that Hydro One will raise no issues with respect to the claims from Association of Major Power Consumers in Ontario, Building Owners and Managers Association, Canadian Manufacturers and Exporters, Consumers Council of Canada, EnviroCentre, Green Communities Canada, Low-Income Energy Network, London Property Management Association, and Vulnerable Energy Consumers Coalition. Hydro One does have comments on Green Energy Coalition ("GEC"), Housing Help Association of Ontario ("HHAO"), Industrial Gas Users Association ("IGUA"), and The Salvation Army Centre of Hope.

With respect to the cost claim of the Salvation Army Centre of Hope, GEC, HHAO and IGUA, Hydro One would request the Assessment Officer to review the activities claimed by the Salvation Army Centre of Hope, GEC, HHAO and IGUA and ensure that the all the receipts match what has been claims and insure that the alcohol claimed on a meal receipt for the Salvation Army Centre of Hope is not included in the Cost Order.

Sincerely,
