Ontario Energy Board

Dear Ms Walli:

**Re: Ontario Energy Board Board File Number: EB-2009-0140  
Veridian Connections Inc.**

We are counsel to the Consumers Council of Canada (the "CCC").

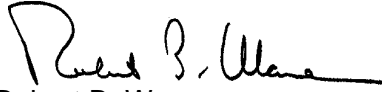

By this letter we are requesting that our client be made an intervenor in the application of Veridian Connections Inc. ("Veridian") for approval for changes to the rates that Veridian charges for electricity distribution, which rates will be effective May 1, 2010.

The CCC represents the interests of the broad array of residential consumers of electricity within the service territory of Veridian. The granting of the application will have an impact on the rates paid by those residential consumers. The CCC is a public-interest, non-profit entity which has no revenues of its own to support its intervention. The CCC will, therefore, seek an award of costs at the end of the proceeding.

We would appreciate your having all materials with respect to the proceeding delivered the writer, and to Julie Girvan, the CCC's consultant. Ms. Girvan's contact information is: 2 Penrose Road, Toronto, ON M4S 1P1, telephone: (416) 322-7936, fax: (416) 322-9703, e-mail: jgirvan@ca.inter.net.

Yours very truly,

**WeirFoulds LLP**
