

Board Staff Supplemental Interrogatories 2010 Electricity Distribution Rates Orillia Power Distribution Corporation EB-2009-0273

On November 11, 2009, Board staff filed interrogatories with the Board on the cost of service application of Orillia Power Distribution Corporation. Board staff has an additional interrogatory as follows:

50. Global Adjustment

Ref: Exhibit 9 / 1 / 1 / Attachment 1

Board staff requests additional information to that requested in question 47 b), c) and d).

- a. Please provide an allocation of the December 31, 2008 balance of the 1588 Global Adjustment ("GA") sub-account (plus interest to April 30, 2010) based on the 2008 kWhs for non-RPP customers.
- b. Please calculate a separate rate rider for the recovery/refund of the proposed GA sub-account balance using the allocated amounts in part a. and the 2010 non-RPP consumption data (kWh or kW as applicable) as the billing determinant.
- c. Please calculate a rate rider for all other allocated amounts sought for disposition (i.e. total balance including carrying charges minus the GA sub-account balance including carrying charges) using the 2010 consumption data (kWh or kW as applicable) as the billing determinant.
