Dear Ms. Walli:

**Board File No. EB-2009-0139**  
**Toronto Hydro-Electric System Limited – 2010 Cost of Service Application**  
**Interrogatories of Energy Probe**

The Issues List Decision and Procedural Order No. 2, issued by the Board on November 10, 2009, confirmed Friday November 13<sup>th</sup> as the date for filing Intervenor Interrogatories. Energy Probe Research Foundation (Energy Probe) regrets to notify the Board that its interrogatory filing will be delayed by one working day.

Mr. Peter Faye has communicated to Energy Probe that he has completed draft interrogatories in this matter, but he is unable to forward them to us. Mr. Faye is currently at a remote location in Northern Ontario without telephone communication capabilities. Unfortunately, his attempts to access his email system were unsuccessful. He returns to the Toronto area on November 14<sup>th</sup>.

Energy Probe apologies to the Board for the delay and trusts that filing on Monday, November 16, 2009 will not inconvenience the parties to this proceeding. Should you require additional information, please do not hesitate to contact me.

Yours truly,

David S. MacIntosh
