IN THE MATTER OF the *Ontario Energy Board Act, 1998*,
S.O. 1998, c. 15, (Schedule B);

AND IN THE MATTER OF an application by Tillsonburg
Hydro Inc. for an order approving just and reasonable rates
and other charges for electricity distribution to be effective
May 1, 2009.

PROCEDURAL ORDER No. 3

Tillsonburg Hydro Inc. ("THI") is a licensed distributor of electricity providing service to the Town of Tillsonburg. On August 22, 2008, THI filed its initial application with the Ontario Energy Board (the "Board") for an order approving or fixing just and reasonable rates and other charges for the distribution of electricity, to be effective May 1, 2009. The Board assigned docket number EB-2008-0246 to the application.

The Association of Major Power Consumers in Ontario ("AMPCO"), Energy Probe Research Foundation ("Energy Probe"), the School Energy Coalition ("SEC") and the Vulnerable Energy Consumers Coalition ("VECC") received intervenor status and were found to be eligible to apply for an award of costs. Ms. K. Englander, a resident of the Town of Tillsonburg, received intervenor status but did not request to be eligible for an award of costs. AMPCO and Ms. Englander did not participate in the review of the application.

The Board issued its Decision and Order on the application on July 10, 2009, in which it set out the process for intervenors to file their cost claims and to respond to any objections raised by THI.

AMPCO and Ms. Englander did not file cost claims. The Board received cost claims from Energy Probe, SEC and VECC.

The Board issued its Decision and Order on Cost Awards on October 6, 2009, in which the Board made one adjustment to SEC's cost claim. SEC's cost claim was reduced by

4.5 hours for Mr. John De Vellis to match the information filed with the cost claim.

On October 30, 2009 SEC filed a Motion to Review the Decision and Order and submitted a revised cost claim.

The Board considers it necessary to make provision for the following procedural matters.

THE BOARD ORDERS THAT:

1. If THI wishes to respond to the SEC's motion to in effect allow the previously disallowed 4.5 hours, it shall file that response with the Board and forward to SEC within 10 days from the date of this procedural order.
2. SEC shall file with the Board and forward to THI any responses to any objections by THI within 17 days of the date of this procedural order.
