Dear Ms. Walli:

**Board File No. EB-2009-0154 – Enbridge 2010 Low Income DSM Plan Application
Comments of Energy Probe**

Pursuant to Procedural Order No. 2, issued by the Board on October 26, 2009, the following are the Comments of Energy Probe Research Foundation (Energy Probe) for the Board's consideration in this proceeding

Energy Probe has reviewed material provided by Enbridge Gas Distribution Inc. (Enbridge) in its 2010 Low Income DSM Plan submission of October 15, 2009, the corrected evidence filed October 30, 2009 and the Interrogatory Responses from Enbridge filed November 13, 2009.

Energy Probe has reviewed the comments of Mr. Randy Aiken, consultant to the Building Owners and Managers Association of the Greater Toronto Area (BOMA), in the Submission of November 17, 2009, and had the opportunity to discuss his incisive analysis of the Enbridge solar thermal water heater program with him directly. Energy Probe supports the BOMA analysis in this matter and submits that the Board should direct Enbridge to remove the solar thermal water heater program from its Plan as an inappropriate application of ratepayer funding.

All of which is respectfully submitted.

David S. MacIntosh
Case Manager
