Ontario Federation of Agriculture - Request for Intervention Status**

Dear Mr. Currie:

This letter acknowledges the Board's receipt, on November 12, 2009, of the request by the Ontario Federation of Agriculture (OFA) for intervention status in this proceeding.

The Board approves this request and grants intervention status providing the OFA accepts the record of the case as it currently stands, ie, the OFA will not have the opportunity to take part in any procedural steps for which deadlines have already passed.

An updated list of participants in this proceeding is attached.

Yours truly,
