NOTICE OF INTERVENTION

OF

VULNERABLE ENERGY CONSUMERS COALITION (VECC)

The address is:

500-27 Carlton Street Toronto, ON M5B 1L2

3. The Ontario Coalition of Senior Citizens' Organizations (OCSCO) is a coalition of over 120 senior groups as well as individual members across Ontario. - 6. VECC has accessed copies of the Application materials currently posted on the Board's web-site. It requests that copies of any additional supporting materials be forwarded to each of the parties named above.
- 7. VECC is intervening in order to ensure that consumer interests and in particular the interests of the low-income and vulnerable users of electricity are fully represented in the determination of just and reasonable rates for 2010. In this regard VECC intends to focus on Thunder Bay Hydro's request for LRAM/SSM recovery. Issues include whether the request itself is just and reasonable and whether the appropriate savings estimates have been included in the supporting calculations.
- 8. VECC agrees with the Board's proposal to proceed by way of a written hearing at this time. However, it reserves the right to address the issue in future should circumstances change.

9. VECC will be requesting an award of costs for its participation in this proceeding related to the request for a LRAM/SSM recovery and the proposed revenue cost ratio adjustment and believes that, as a coalition representing the direct interests of consumers, it meets the eligibility criteria set out in the Ontario Energy Board's Rules of Practice and Procedure (Section 41) and its' Practice Direction on Cost Awards (Section 3.03).
