Attention: Ms. K. Walli, Board Secretary

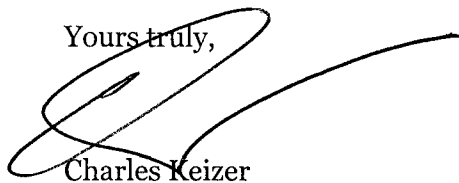

Dear Ms. Walli:

**Re: Canadian Niagara Power Inc. - Leave to Construct and Reinforce  
Transmission Facilities in the Fort Erie / Niagara Falls Area  
(Board File No. EB-2009-0283)**

Pursuant to the Board's Procedural Order No. 2, Canadian Niagara Power Inc. ("CNP") was scheduled to file its responses to supplementary interrogatories and to make further submissions on December 4, 2009.

This letter is to advise that CNP will be delayed in filing its responses to the interrogatories and in making submissions until Tuesday, December 8, 2009. Various interrogatories requested that CNP consult with third parties and others were directed to other participants. Despite CNP's efforts, consultations are not yet complete for purposes of completing the interrogatories. In addition, CNP has not yet been provided with all non-CNP interrogatory responses to permit CNP to make final submissions. As a result, CNP requires further time to comply with Procedural Order No. 2.

Yours truly,

Charles Keizer
