**Re: Enbridge Gas Distribution Inc. ("Enbridge")  
EB-2007-0782 - Georgian Bay Reinforcement Project:  
Final Monitoring Report – Extension Request**

On May 21<sup>st</sup>, 2008, the Ontario Energy Board (the "Board") issued the Decision and Order for the above noted proceeding. The Decision and Order included the Conditions of Approval for the project.

As per Appendix B, paragraph 3.1 and 3.3, of the Conditions of Approval, in the Board's Decision and Order, the Final Environmental Monitoring Report would be due to the Board by March 9, 2010. As it will be difficult to conduct a proper assessment during winter months and verify that there are no outstanding issues related to the project, Enbridge is requesting an extension to the filing date for the final monitoring report until June 2010.

If you have any questions, please contact the undersigned.

Yours truly,

A handwritten signature in blue ink that reads "Bonnie Jean Adams".

Bonnie Jean Adams
