Dear Ms. Walli:

Re: Vulnerable Energy Consumers Coalition (VECC)
EB-2009-0332
Horizon Utilities Corporation – Application Relating to the Recovery
of Foregone Revenue

With respect to the issue of the confidentiality requests made by the applicant and the issue of the next procedural steps, VECC supports and adopts the submissions of the School Energy Coalition (as revised on December 10, 2009) with one exception.

With respect to the claimed confidentiality for Board Staff Interrogatory #2, VECC does not agree that it should be granted confidential status. The information contained in the response deals solely with the annual fixed capital costs and ongoing operating costs incurred by Horizon in providing service to the Customer, and does not, in VECC's view, meet the requirements for confidential treatment. Such information does not, VECC submits, reveal any information about the subject Customer that should not be on the record.

Yours truly,

Michael Buonaguro
Counsel for VECC
