Dear Mr. McLorg:

**Re: Toronto Hydro-Electric System Limited
Decision on Application for Recovery of Contact Voltage Correction Costs
Board File Number EB-2009-0243**

The Board has today issued a corrected version of this Decision which is attached.

The correction is on page 9, where in the last full paragraph on this page, on the second line, the original Decision erroneously referred to "the total OM&A level used to derive 2009 rates" as being \$250.0 million, when the correct number is \$350.0 million.

Yours truly,

Original Signed By

John Pickernell
Assistant Board Secretary
