Dear Ms. Walli:

Please find attached attachments to Cooperative Hydro Embrun (CHE)'s responses to Board Staff Interrogatories related to CHE's Cost of Service Application EB-2009-0132. They are the excel version and pdf version of the continuity schedule model requested as part of question 10.2 of Board Staff Interrogatories.

This document is being filed pursuant to the Board's e-Filing Services. Two hard copies of the Responses will be delivered to the Board over the next few days.

Should there be any questions, please do not hesitate to contact me at the number below.

Yours truly,
