Attn: Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: EB-2009-0259 – Burlington – Submissions on Confidentiality and IRs

We are counsel for the School Energy Coalition in this proceeding. We have reviewed the confidential interrogatory responses delivered to us by the Applicant yesterday, and we have no objection to these documents being declared confidential for the purpose of this proceeding.

We do not have second round interrogatories at this time. As the Board is aware, counsel has been in the throes of a move, and also leading evidence in the Hydro One proceeding, and so was unable to get to the IRs in this matter. This is not the fault of the Applicant, and was entirely our responsibility to manage. We were unable to do so. Nevertheless, we respectfully request an extension of one business day, to Monday, December 14, 2009, to file second round interrogatories.

All of which is respectfully submitted.

Yours very truly,
JAY SHEPHERD P. C.
