Dear Ms. Wong:

**Re: Union Gas Application for Leave to Sell 11.7 km Natural Gas Pipeline
Deadline Extension Request - Union's Response to Cost Claims filed by
Intervenors
Board File No. EB-2008-0411**

The Board received a letter, from Ms. Sharon Wong, counsel to Union Gas Limited ("Union"), dated December 15, 2009 in regard to the Board's Procedural Order No. 5, requesting an extension on the deadline for Union to file its responses to the intervenors' cost claims. Union has requested an extension from Friday, December 18, 2009 to Monday, January 18, 2010. Ms. Wong indicated that the intervenors have filed a significant amount of material and that Union will need additional time to review and comment on these submissions.

The Board has agreed to Ms. Wong's request, and is hereby granting Union an extension on the deadline for responses to the cost claims filed by intervenors to Monday, January 18, 2010. Intervenors shall file with the Board and forward to Union responses to any objections for cost claims by Monday, January 25, 2010.

Yours truly,
