Dear Mr. Sasso:

**Re: EnWin Utilities Inc.
2007 Incentive Rate Mechanism
Application Board File Number EB-2007-0522**

This will acknowledge receipt on July 30, 2007 of your amended electricity distribution rate application. The Board has assigned File Number EB-2007-0522 to this matter. Please refer to this number in all future correspondence to the Board regarding this matter.

Based on the Board's experience with applications of this nature, the Board expects that it will be able to render a decision and/or order in this application on or about January 31, 2008.

On June 8, 2007 the Board issued standards on how to file documents, to enable easier use in processing the application by the Board, and to make access to application material easier for the Board and external parties. Under these standards, detailed in the OEB's e-filing services webpage, the Application should be filed as one PDF document, which includes PDF versions of the excel files. The IRM model should also be sent as a separate excel file. The files should also correspond with e-filing naming conventions, as follow:

ENWIN_APPL_20070730.pdf (including PDF versions of excel files)

ENWIN_2007 IRModel_20070730.xls (as a separate file)

It is requested that you re-submit electronic versions of your original material. Any updates to the application would need to be inserted and the whole application would need to be re-submitted with the above naming convention but reflecting the updated date.

Please direct any questions relating to this application to Silvan Cheung, Advisor at (416) 544-5158 or Silvan.Cheung@oeb.gov.on.ca .

Yours truly,
