TO PROVIDE THE NUMBER OF POLES REPLACED FOR TROUBLE CALLS AND  
STORM DAMAGE FOR 2009, TO DATE

**Response**

A total of 782 poles have been replaced by November year-to-date in 2009 under trouble calls. The number of poles replaced as part of the storm damage component of this program are not separately tracked and are not included in the pole replacement figures shown as part of Investment Summary Document S7 included at Exhibit D2, Tab 2, Schedule 2.
