DECISION WITH REASONS AND ORDER

The Board has considered the balances in the RSVApower account and the RSVApower sub-account Global Adjustment (Account 1588) for all of the electricity distributors listed in Appendix A for the period ended September 30, 2009. Many distributors have been adjusting their balances as of September 30, 2009 in both these accounts as recently as December 14, 2009. The Board cannot be certain that the balances as provided in the evidence before it are complete or reliable, and finds that there will be no disposition at this time.

This Decision and Order does not limit the decision making authority of the Board in the review and potential disposition of any specific distributor's Account 1588 that may currently be under review by the Board in 2010 rates cases, or where disposition of the balance of Account 1588 has been ordered.

The Board issues this Decision with Reasons and Order to all electricity distributors listed in Appendix A.

THE BOARD ORDERS THAT:

1. The balances in Account 1588 shall remain on the regulatory books of accounts of the electricity distributors listed in Appendix A without disposition pending further direction from the Board.
